Attorney's Docket No.: 15828-134004 / PE-91-006

Amendments to the Claims:

This listing of claims replaces all prior versions and listings of claims in the application:

Listing of Claims:

Claims 1-15 (Canceled.)

16. (Previously presented) An apparatus for dispensing fluid, comprising:
a meter;
at least one nozzle in communication with the meter;
a plurality fluid sources, each in communication with the meter; and
a valve between one of the plurality of fluid sources and the meter; and
wherein a fluid volume from the valve up to and including one nozzle is approximately 0.3 gallons or less.

17. (Previously presented) The apparatus of claim 16 wherein at least two of the fluid sources supply fuel of differing grades.

18. (Previously presented) The apparatus of claim 16 further comprising a valve between each of the plurality of fluid sources and the meter.

19. (Previously presented) The apparatus of claim 18 further comprising a controller adapted to control the valves.

20. (New) The apparatus of claim 16 wherein a fluid volume from a convergence point of a plurality of flow paths from the plurality of fluid sources up to and including one nozzle is approximately 0.3 gallons or less.
